Studer, for twenty years United States Consul at Singapore, says: "While at Des Moines I became acquainted with a liniment known as Chamberlain's Pain Balm, which I found excellent against rheumatism as well as against soreness of the throat and chest (giving me much easier breathing). I had a touch of pneumonia early this week, and two applications freely applied to the throat and chest relieved me at once. I would not be without it for any thing." For sale by J. **WHEN THE HEART IS HEAVY.**

**Fight Against Allowing Yourself to be Submerged by Personal Grievs.**

"There is always a remedy for a heavy heart," writes Ruth Ashmore in the March Ladies' Home Journal. "It may be in work—it oftenest is. It may be in thinking out the joys that have been given to you, and the sorrows from which you have been saved. It may be in helping others by sympathy, or in whatever way help is most needed. But the heavy heart can always be made light if self is forgotten, and the needs of others are remembered, and, as far as possible, relieved. Not one of us can learn to be come light-hearted in a day, or a week, or a month, or a year, for it is the lesson of life, this knowing how to lift our hearts up and give from them help unto those who are in need. It is a good fight—this one against allowing one's self to be submerged in personal griefs—it is a good fight, and out of it you can come conqueror if you will.

"Do you intend to give up the fight and fall by the wayside overcome by a heavy heart, or to go along through life as a brave woman should? You must decide this early in your life. And you will, I feel sure, decide to do that which is right, and then your heart will never be heavy nor your conscience disturbed, unless you fall. And when you fall, thank God, you can always rise again if you keep up a brave heart."

**APPEAL TO THE PUBLIC**

Property-Holders Asked to Aid Unfortunate Firemen.

HOW THE GOOD WORK GOES ON

The Committee appointed to secure subscriptions for the purpose of rebuilding the Washington Opera-house has issued the following Address:

To the Property-Holders and Citizens of Maysville: On Sunday morning, January 30th, the Washington Fire Company lost by fire their home together with the Opera house upon which they depended for their support and upon which our citizens depended for an amusement hall. In the destruction of the building there went up in smoke and flame the hard earnings of the Company, covering a period of 48 years and amounting to over \$12,000. They are now without shelter and without a single dollar—nothing left save their honor. The Firemen of our city have always been faithful to duty in saving your property, and upon many occasions have saved our city from total destruction. It is now proposed, and due to, to rebuild their home, and for this purpose a subscription has been started and a liberal amount secured. Will you be one to assist in this effort by a subscription? Respectfully,

THOMAS A. DAVIS,  
ALEX. CALHOUN,  
J. D. DYER,  
WILLIAM H. COX,  
HORACE J. COCHRAN.

The Address states the case so fully that it is not deemed necessary to add a word.

Every citizen and every merchant and property-holder is directly interested in this matter, and it is hoped that the responses will be prompt, numerous and generous.

Do not wait for the Committee to call on you, but send your name with the amount you wish to subscribe to THE LEDGER office, or give it to any member of the Committee.

**THE LEGISLATURE.**

**Bill Passes the Senate to Remove the Geographical Specimens, Maps, Etc.**

FRANKFORT, Feb. 24.—SENATE.—The senate passed the bill providing for removing the state geographical collection of specimens, maps, etc., now in the state house at Frankfort, to the A. and M. college at Lexington, and providing for the establishment of a school of mines and mining in said college. Bills introduced: To establish the Bradley colony for epileptics as an annex to the Central Kentucky Asylum; to require treasurers of the state charitable institutions to give bond for \$50,000, instead of \$30,000; and allowing the treasurers to keep the money "in some bank doing business in this state," instead of "in some bank incorporated by the laws of this state."

**HOUSE.**—The senate bill regulating the sale of the A.-associated Press reports so that any newspaper can purchase said reports, was passed. The bill providing that in counties containing cities of the first, second and third classes the county school superintendent shall be elected by the voters of the county outside the cities was reported favorably by the committee. The house resolved itself into a committee of the whole to consider the proposed amendments to the constitution. The referendum amendment was discussed, but the committee took no action.

**DESPERATE DUEL.**

**One Dead and the Other Dying, the Result of a Fight Between Brothers-in-Law in Taylor County.**

CAMPBELLVILLE, Ky., Feb. 24.—One dead and the other dying is the result of a desperate duel between Robert Shipp and Lloyd Horton, brothers-in-law, in Taylor county, near this place, Wednesday. The duel grew out of a feud of long standing between the men, and for sensational features has not been equaled in this section. Wednesday afternoon Shipp was passing Horton's house. Horton was standing outside and Shipp made some remark. Horton told him he wanted nothing to do with him and to get away from him, whereupon Shipp drew his pistol and fired, the ball entering just to the right of Horton's navel. Horton then drew his pistol and fired. Shipp fell and instantly expired, but Horton continued to fire until the contents of his revolver were emptied into Shipp's body. Horton called his wife to assist him into the house, saying that he was killed. At 9 p. m. he is dying. Both men leave large families.

**COLORED MAN MOBBED.**

**Richard Allen Dragged From Jail and Hanged to a Tree in the Courthouse Yard at Mayfield, Ky.**

MAYFIELD, Ky., Feb. 24.—A mob of about 300 or 400 citizens of Mayfield and Graves county gathered from different points in the outskirts of the city and dragged Richard Allen, colored, out of the jail and swung him to a tree.

Allen was arrested several days ago for burglary and it was for this crime that he was strung up. He was a member of a gang who are responsible for wholesale robberies in this vicinity. Summary justice will be meted out to the others if captured.

The citizens of the town greatly deplore the act but it seems to be the only remedy with which to stop the burglaries.

**TOBACCO ACREAGE**

**Will Be Increased in Kentucky Despite Efforts to Curtail the Crop.**

HOPKINSVILLE, Ky., Feb. 24.—All efforts to induce the farmers of the dark tobacco belt to reduce the acreage this year have failed, and the planters throughout Christian and adjoining counties in Kentucky and Tennessee are now busy making preparations for the largest crop in many years. This will still further reduce the price of tobacco, which is low already, it is claimed.

The sales in the Hopkinsville market last year reached 20,000 hogheads, worth about \$1,500,000. Tobacco men now predict that this year the sales will reach 30,000 hogheads.

**Still Draw Their Salaries.**

FRANKFORT, Ky., Feb. 24.—At the beginning of the legislative session one of the favorite ideas of many members was to abolish the office of commonwealth's attorney. A bill with this in view was introduced some time ago, but it has been killed. The commonwealth's attorneys will continue to draw their salaries.

**First Bill to Become a Law.**

FRANKFORT, Ky., Feb. 24.—The first bill passed by this legislature which has so far become a law is the bill allowing convicts to testify in civil cases, and making other changes in the civil code. It was introduced by representative Tracy, of Covington, and was approved by the governor Wednesday morning.

**The Election Bill.**

FRANKFORT, Ky., Feb. 24.—Former Senator Blackburn has taken a position on the Goebel election bill by urging those of his friends in the legislature whom he saw to go into the caucus and abide by the result. He did not express favor for or disapproval of the bill.

**Children Marry.**

LANCASTER, Ky., Feb. 24.—Miss Lucy Rucker, aged 16, and James Conn, 17, were married Wednesday.

**Preferred Death to Imprisonment.**

CINCINNATI, Feb. 24.—George Opekruch, a prisoner in Cell 52, at the county jail, committed suicide Wednesday morning by hanging himself to a bar in his cell. He had been sent to the jail from the police court Monday to await trial on the charge of drunkenness. His case had been set for Thursday. His imprisonment bore heavily on him, and he told several that he never would stand the confinement.

**Question of Rank.**

COLUMBUS, O., Feb. 24.—In the house Wednesday Gayman introduced a bill to pay Gen. George B. Wright, who was quartermaster general of Ohio during the war, \$4,561.10 with interest from 1875. This represents the difference between the salary drawn by Wright and what an officer of his rank was entitled to.
